

# Lennar Declares Dividend and Sets Dates for Millrose Spin-off

Jan 10, 2025

MIAMI, Jan. 10, 2025 /PRNewswire/ -- Lennar Corporation (NYSE: LEN and LEN.B) ("Lennar") announced that its Board of Directors has declared a dividend and set the date for the previously announced taxable spin-off of approximately 80% of the stock of Millrose Properties, Inc. ("Millrose").

Stuart Miller, Executive Chairman and Co-Chief Executive Officer of Lennar, said, "We are very pleased to announce another milestone towards completing the successful spin-off of Millrose. This spin-off is a significant step in our transition to a land light manufacturing homebuilding model."

Lennar expects to distribute to its stockholders one share of Millrose Class A or Class B common stock for each two shares of Lennar Class A or Class B common stock held of record at the close of business on January 21, 2025, as more fully described below. The distribution will take place prior to the opening of trading on February 7, 2025. Persons who acquire Lennar stock after the close of business on the record date will not receive Millrose shares in the spin-off. Lennar anticipates that "when-issued" trading in Millrose Class A common stock on the NYSE will begin on or about February 5, 2025 under the symbol "MRP WI" and Millrose Class A common stock will begin "regular-way" trading on the NYSE on February 7, 2025 under the symbol "MRP."

Millrose will have two classes of stock: Class A common stock and Class B common stock. The two classes will be essentially identical, except that holders of Millrose Class A common stock will be entitled to one vote per share and holders of Millrose Class B common stock will be entitled to ten votes per share. The Class A common stock will be listed on the New York Stock Exchange under the symbol "MRP." Millrose has not applied to list its Class B common stock on any securities exchange or to have it quoted on any quotation system, and Millrose does not intend to do so. Therefore, we do not expect a trading market to develop for Millrose Class B common stock. Additional differences related to additional voting rights and lower valuation of Class B common stock are further described in the registration statement filed by Millrose.

In the distribution, all holders of Lennar Class A and Class B common stock will receive shares of Millrose Class A common stock, except to the extent that any Lennar stockholder(s) elect, during a specified election period, to receive Millrose Class B common stock instead of Millrose Class A common stock with regard to some or all of the Millrose stock to which they are entitled. The election period will begin on January 21, 2025, and will end on February 3, 2025. The class of Millrose common stock a Lennar stockholder elects to receive will not affect the number of Millrose shares the Lennar stockholder will receive. All Lennar stockholders who do not elect to receive Millrose Class B common stock by the end of the election period will receive Millrose Class A common stock regardless of

the class of Lennar stock they hold. Election materials will be distributed to Lennar stockholders promptly after the record date.

The distribution of Millrose shares will be taxable to the Lennar stockholders who receive the shares.
